REVIEW OF ORGANISATIONAL TRANSFORMATION IN THE RUSSIAN OIL INDUSTRY

- I received this book when I graduated from High School six years ago. Now I am a teacher and am giving it out to graduating students from my High School. The students that I give this book to are my fire cadets. They love this book. You will too.
- I was so pleased to find this book and in such excellent condition. However, I have never liked the shipping fees through Amazon, I feel they could improve that for all of us. This book arrived in excellent condition in a timely matter. I would order again especially if I had a discount for shipping.
