REVIEW OF THE MIRACLE MORNING FOR REAL ESTATE AGENTS ITS YOUR TIME TO RISE AND SHINE

- "Casting the First Stone" is an excellent book!! The characters in the book are very realistic. Although this is a fictional story, any reader should be able to relate. This story also depicts that even a pastor of a church is not beyond mistakes. The story also shows that the congregation of any church should not idolize the pastor, but should worship God. Did Curtis have a conscious? His downfall was inevitable. It was good to know that Tanya found happiness with James. Keep them coming, Kimberla!!!

- This was a book club selection of our book club. I read it in two days because it was such a page turner. The story is one that I could relate to because it was definitely real life. Although some of the characters were not as well developed as I would have liked, the book was definitely a good read. It was also very well written in terms of choice of words, etc. I highly recommend this book.
