If they do escape and make it back to England, he will face court-martial for surrendering his ship to the enemy. Will he find help among the French or will he be on his own? Will Bush, who was crippled in the last bloody battle on the Sutherland, live long enough to see England again?

- This was the frist book by Julie Garwood that I have read. After I've finished reading it I started looking for other books that were written by her. Castles is so well written that it keeps you turning the pages to see what would happen next. For those of you who enjoy a great read, I recommend this book for you.
