### REVIEW OF YOU RAISE ME UP YOUTUBE 56 COM

• Albert Camus's *The Plague* is set in the 1940s in Oran, a small city on the Algerian coast. Camus's style consists of a moderately complex writing style. Camus's entire novel is centered around the following conflicts: the men's fights with one another, each man's fight with himself, and the town's fight with the plague. Camus also uses the unique approach of concealing the identity of his narrator until the closing chapters of the novel, which allows the novel to close more entertainingly. Camus frequently uses figurative language such as similes and metaphors throughout *The Plague*. These devices are used by Camus to enhance his vast amount of imagery. Camus's motifs of love, suffering, and exile are apparent throughout the action of the novel. The use of these motifs allows the reader to relate his own life to that of the characters in *The Plague*. The theme of *The Plague* is the message that it is possible to find love and hope in the worst of situations. In conclusion, I believe that Albert Camus did a superb job in writing this novel. He touched every emotion of his audience when he published a novel that centered on love, death, tragedy, and hope.

• As a fan of the Bronte sisters, I believe that Anne and her writing is most often overlooked. Everyone has read 'Jane Eyre' by Charlotte or 'Wuthering Heights' by Emily, but few have read 'The Tenant of Wildfell Hall' or 'Agnes Grey'. While similar in style to her sisters' writings, Anne's writing has the proclivity to explore the religious side of her characters and their experiences. Her characters find great solace through their faith in God. 'Agnes Grey' is the 'diary' of a young governess. Its title character sets out to portray the squalid conditions that governesses worked under - how they were less than servants in the eyes of families whose children could do no wrong; but if they did do wrong, it was the fault of the governess and not the parent. As someone who works with children, it is no surprise that parents do not want to recognize their own fault in their children's misbehavior. Agnes' life is marked with poverty and fear that the only man she loves does not return her feelings. Throughout the novel, the reader is treated to the inner thoughts of the main character, as she pours out her soul (and her numerous tears) onto the page. 'Agnes Grey' is a quick and straight-forward read, with little romanticizing; Bronte's narrator is quick to point out that there are certain things that the reader would not want to read and therefore she has left them out. Overall the book is a telling look at what life must have been like for one of the Bronte sisters - three sisters of a poor curate with few prospects for fortune other than through their writing. Yet the summation is a bit too cursory for a 'tell-all' look at Agnes Grey's life. She says few words, when more are wanted to fully conclude her story.
