## **REVIEW OF TUNTUNAN THAHARAH DAN SHALAT DOCUMENT**

- This book has a good selection of Pope's best-known works, and was the perfect Christmas gift for my father-in-law, as it contained all of his favorites without being too cumbersome. I also appreciated both the easy-to-read format and the font selection. While

many textbooks are printed in a small font, this edition comes in a size 11 point font, which is easier on the eyes, but not so large as "large print" versions. It would be a wonderful introduction to Alexander Pope's poetry for someone who is not familiar with it.

- I started this book around nine o'clock at night and didn't put it down until I had finished it somewhere around noon the next day. This is just one of those books that I just couldn't put down. If that doesn't tell you what you need to know I don't know what would.
