your bookshelf. So, if you're seeking a fascinating read, Boss Dr 202 is certainly worth considering.

REVIEW OF BOSS DR 202

- When I first read this book, I got through the first chapter and fell asleep on my couch! I waited two weeks, and forced myself to get all the way through it. The thing I found least exciting about this book is that she wrote the book about her books! Only a writer down on her luck writes like that. Also, every character was dark, gloomily, the same. I LOVED her last book, In the Forest of the Night. Then in this book, the vampires turned from superman strong to can't kill a girl. I was disappointed at this. When I was finished with this book I thought, I can write better than this. Now I am writing my own book. Her books only got published was because she is a teen. Publishers thought, "Money-maker!" Well thanks to you, Amelia, there is going to be a lot more teen writers.

- I was quite intrigued by this book, since Hargitai lived a most interesting life. Yet, the use of metaphors and flashbacks made the book somewhat confusing. In several instances, it was difficult to distinguish between fantasy and reality.
