## REVIEW OF HOSPICE IDT DOCUMENTATION PDF DOWNLOAD

- I love to write. I always looks for ways to improve my writing. This book is really going to help me.
- I love Sister Souljah's book. The book was her truth and her all the experiences and thoughts put together in the book. I am an avid reader and I could not put the book down. I totally disagree with anyone who could dare say anything negative about the book. It was definitely not boring and not another book on oppression. It was her experiences and her thoughts about her experiences. Anyone who says the book is just about racism is obviously living in a fantasy world. I strongly advise the reading of Sister Souljah!! Any person of color true to themselves can get something positive out of her book.
