REVIEW OF JEAN JACQUES ROUSSEAU RESTLESS GENIUS LEO DAMROSCH

- This is my favorite book by my favorite author. No way anyone could read this and not be changed in a profound way.
- When I was a kid I had the record and read along book for Sleepy Hollow and the headless horseman. Since then, I have always loved the thrill of the headless horseman. I found this book snooping on Amazon and read the reviews. After much debate I bought it and I'm glad I did. I enjoy the artwork in this book, it actually makes the story readable and doesn't put me to sleep like the original. It's a must for my shelf. I recommend this book to any headless horseman fan.
