## REVIEW OF EVERYTHING IN BETWEEN INDIGO ENGLISH EDITION

- first of all, despite all the nice explanation of Essex, it's doubtful that this book won the national book award. i think there are bunch of books out there which wait for winning the award, and certainly have better stuffs. but i can't criticize this book. (i'm not a book-review-person or what..) anyway... this book was just a regular book to me.

- An Uber-Classic--Required reading for anyone in psychology. No! make that anyone, period.
