REVIEW OF DISCIPLINA BIOLOGIA EDUCACIONAL CURSO PEDAGOGIA 2

- This book was great. I liked it because I like fantasy/in the future books. This book is also different in a way, it can be confusing but by the end you'll understand it. If you like fantasy you will love this book!
- I was a little apprehensive when reading this story. I could never imagine a place without any emotions. Living in a place that was a very communist community. Where people are even told what to think. It was more like they were robots instead of real people. I do think that Jonas is a very courageous boy, and want to read the second book. I have to have to find out what happened to Jonas and Gabe.
