So what are you waiting for? Beginning your Things We Never Got Over Knockemout By Lucy Score downloading and install journey today and experience all the advantages and convenience that the digital globe of books has to use!

## **REVIEW OF THINGS WE NEVER GOT OVER KNOCKEMOUT BY LUCY SCORE**

- for our book club. had read it years ago but amazed at how timely it is now.we enjoyed it.
- This series is fantastic. Stackpole's characters are, as always, human (even those that aren't biologically). This book informs readers of what happened after DGW, specifically related to Crow

and to Leigh Norrington. Will's character shift is welcome; Alexia becomes a character with more depth and her love interest (while not surprising) is sincere. Kerrigan.... well let's just say that Stackpole does a masterful job of showing his power and naivete all in the same scenes. Again, very consistent character work.\*spoilers below\*As has been noted, there are very few all out melee battles in this book. The main characters have plausible political and social problems as well as battle strategies to devise. The hit and fade attacks by Resolute, Crow, and Will are nicely done as added action scenes and further story development. Stackpole's plotline flows naturally and logically from point to point; nothing in this novel seems contrived or forced; the end of the book is well thought out, although there's an easy clause out of Will's death. I'm torn between wanting Stackpole to bring such an intereseting character back with said clause or leave him dead because its use might cheapen the plot. But besides that, it's nice to know that Rym Ramoch and Bok are more than they seem.This book is consistenly engaging (to be read: will keep you up late to finish it) and is highly recommended. But read Dark Glory War and Fortress Draconis first so you understand what you're reading.
