REVIEW OF NEW HEADWAY ELEMENTARY FOURTH EDITION OXFORD

- Reading the WWII novel, *The Triumph and the Glory* has interested me in other war novels. I was referred to the Sharpe's series by my uncle, and started with "Sharpe's Eagle", which had me spellbound. "Sharpe's Company" was every bit as good, and now I am hooked on the series. What a writer! Cornwell makes history come to life with a vengeance!

- Donna Simpson is one of the few authours who can (successfully) write a novel that almost exclusively focuses on the feelings and private thoughts of her characters and still not end up with the book that is either maudlin or awkward. It takes a real talent to write such a novel where nothing much ever happens save for the characters talking to each other and ruminating about the behaviour of others and themselves. Which is why I so enjoy reading Ms Simpson's novels. But this time around, I rather felt that Ms Simpson fell short of her usual excellence. Feeling gloomy and having had his fill of the back-stabbing lot that surrounds the Prince of Wales, the widowed Duke of Alban decides to leave Brighton and repair to the North in order to visit his favourite aunt. And he takes with him his best friend, Bartholomew Norton, the Earl of Orkenay (not a very close or well liked friend) and another gentleman he knows little of, Sir John Fitzhenry. It's a trip in which he will reestablish his close link with his adored aunt (an aunt he hasn't seen in almost three years, not since he arrived broken over his wife's desertion), and spend time hunting and riding with his friends. But all his plans go out the window when he arrives to find that his aunt has hired a comely young widow, Kittie Douglas, as her companion -- a ravishing and voluptuous lady moreover who makes his pulses races with longing and desire. Can the duke, who had been seriously and publicly betrayed before trust that seemingly virtuous and tenderhearted widow is exactly what she seems? Or does the comely Mrs. Douglas have some conniving plan up her sleeve? Part of the problem with "The Duke and Mrs. Douglas" was that the duke and Mrs. Douglas spend very little time with each other in a constructive manner at all. They both spend a lot of time thinking and obsessing about each other, but when they do converse, they are, quite frequently at daggers drawn and completely misunderstanding each other. So that when, somewhere towards the end of the book, Kittie laments to her friends about the duke's poor treatment of her esp when she had thought they were becoming friends, I wondered how she had arrived at this conclusion? When, exactly, had they become friends? Had I missed a few chapters somewhere? Kittie, actually spends more time with the cad of the group, and allows the man more liberties than a respectable widow would have (I thought), and I really wasn't too surprised that the duke got, and maintained, a certain impression of Kittie. Also, because the duke and Kittie never really establish any kind of relationship with each other (at least none that I could see aside from lusting for each other), the book does tend to stagnate a little. On the plus side, however, is Ms Simpson's wonderful character realisations of all the individuals involved in this story. She made me want to know more about Kittie's friends (Rebecca and Hannah), Mr. Norton and Sir John Fitzhenry. Truly, no one can show the many different facets of a character (major or minor) the way that Donna Simpson can. And it was the character portrayals of the minor characters that saved this book for me, because, truth to tell, I did find Kittie and the duke and the perpetual fog of misunderstanding that they seem to revel in fairly boring.
