REVIEW OF GROWING GOURMET AND MEDICINAL MUSHROOMS 3RD EDITION

- The writing here is truly captivating. Hardy presents his principal characters in much the same way as other famous writers of his day; that is, the once nobled family, having fallen on hard times, now needs to be brought from the brink of disaster by marrying off one its daughters to someone of status. Tess does not dissappoint, in that she has spunk, principles, and a sense of duty. This story is filled with intrigue, unlikely loyalties, and an ending that will reward you for picking up this book. The bonus here is that I read the book for free on my Kindle!

- I really enjoyed the plot, which kept me thinking about the relationship with our world long after I finished it.
