REVIEW OF FOUNDATIONS OF PENTECOSTAL

THEOLOGY HARDCOVER

- Very good service received. I highly recommend books by John MacArthur. I have all of his commendary books (that he has out at this time) and many others by him. I have to give them all an A+.
- This book was more than just a reading assignment for AP English class. In the end it turned out to be something I enjoyed

reading. I liked how Socrates questioned people until he found the answer he was looking for, or the truth. He was willing to die for something he strongly believed in and I admire that in a person. The book would have been a lot better had Socrates been able to write some of the information down himself, but thanks to Plato, we get to learn about the life of a great man.
