REVIEW OF HAVING IT ALL ACHIEVING YOUR LIFES GOALS AND DREAMS

- Pratchett once again shows his ability to use comedy to make a social statement. I love his disc world books and Men at Arms was not a disappointment. If you have been unfortunate enough to not visit this wonderful world filled with magic, wizards, and an occasional god then take the opportunity. The books don't need to be read in order but some of the characters make multiple appearances. You will fall in love with the place and the people. I find myself a little sad each time I finish a book. Pratchett has the ability to give you a well written story that mixes humor with drama and even an occasional love story. His books would fall under fantasy and can be read by teenagers as well as adults. I highly recommend this book as well as others.

- This book was released 18 months ago. Edith Fiore wrote the Foreword, not the book. It is available.
