- Thank you for many weeks of dusty macroassembling that you spent. I began my work 3 weeks ago from scratch on 95.DDK is ... you are absolutely right!!! Now I'd hope to minimize my work and so catch some time for "white" system work. Andrey. SoundDesignS . Israel. 972-4-9986399. Once more thank You

- I am an avid reader and have many books in my library. This is one of my all-time favorites and it amazes me with its depth and ability to inspire me and empower me. I have found myself returning to it again and again, for enjoyment purposes or

because I've hit a rough patch and need the inspiration. I have bought this book for all of the women I cared about in the past and am now reminded that I have new friends I need to share it with. It is very deep but if your heart is open, it speaks to that instinctual, understanding part of you. When I read it the first time, I needed to read it and it went straight to my heart and gut. Fabulous, Fabulous, Fabulous! I find myself quoting from it on Facebook often and get great responses! Just buy it! Great for Men who love women who run with the wolves (if you can get him to read it - too much for my man!)
