REVIEW OF MEGA GOAL 2 WORKBOOK

- Since I am not such a fan of Madureira or guys who followed his

half manga style (although I like Japanese Manga), I'd recommend this for fans of realistic and detailed artwork. Perez never fails. If you buy stuff for art, it is a must. If you buy it for story, you won't be disappointed either.

- My screenwriting partner and I attended a workshop taught by Jeff Kitchen and purchased this book. We used it as a roadmap to structure our first screenplay, which is now done and ready to shop. Thanks, Jeff Kitchen! He loves movies, he understands what makes them work--once you learn his approach, you can apply it to movies you see--you will find his structure, points, and analysis applies to any movie that grips you, any story that you love. Cannot recommend it highly enough.
