REVIEW OF BIRDLAND JOE ZAWINUL

- Outstanding book on my Catholic Faith. I would recommend this book to all Catholics especially in this Year Of Faith. Too many of us Catholic do not have a deep understanding of our catholic teachings. This book is a good starting point for reading more books on /about Catholic Teachings.
- As an instructor of business writing, the exercises in the text are excellent. The chapters a bit dense for the casual student. However, the overall work teaches and focuses on true problems in the work place. The e-mail and memo writing materials nail it.
