REVIEW OF HARLEMS LITTLE BLACKBIRD THE STORY OF FLORENCE MILLS

- This book is well balanced and Biblically based. I thoughtfully enjoyed reading MacArthur's book the Love Of God. The book was challenging and thought provoking. Without a doubt it widened my view of who God is and what He is about. Thank you Brian Young
- After I saw the 1985 Merchant Ivory film, I was curious about the book. It's not often that the film is as good as the

book, but in this it was, so faithfully adapted. When I got the book after seeing the film, I felt I was seeing the film again while reading, the film was so faithful to all the key plot and character points in the book and many of the minor ones too. Whether you've seen the film or not, definitely read the book as well. There are one or two typos but it's very readable. This is one of my favorite romantic novels, and what's so great about it is that it's not a stereotypical "romance novel", it's for guys as well. Read it.
