REVIEW OF PERTRONIX APPLICATION GUIDE

- by far my favorite book of all time. I have bought it about a dozen times and I love it so much! such a good book!
- I liked the first two books in this series, but after this third one,

I couldn't stop reading until I'd finished (at that time) all ten. This book brings us right into the heart of the vampires. Jean-Cluade is king now, and wants Anita for himself. She has other plans, but she also doesn't want to be forced to be with another vampire, Alejandro. Anita meets Richard, a werewolf, and they start their romance. This book was fantastic and I was completely sucked into the whole series finally.
