## REVIEW OF PURPLE COW TRANSFORM YOUR BUSINESS BY BEING REMARKABLE

- In his foreward, Chaplin admits that he saw enough blood and horror as a soldier in World War I. His war reporting will thus concentrate on non-combat, human interest observations. (Isn't this a bit like being a surgeon with a fear of handling sharp objects?) This book deals largely with events of 1942, which Chaplin recognizes as the turning point of the war. It touches on earlier observations in France and Africa, but its largest sections are on India and Russia (with brief but interesting stops in Bagdad and Teheran). In India, the author is critical of British colonialism-as-usual lassitude in the face of an underestimated threat from Japan. He also gives us a negative portrait of Gandhi. In Russia, he is struck by the total mobilization of the civilian population for war. This, he concludes, is why the Soviets will not only be on this conflict's winning side, but why they will also be a formidable force in shaping the world's future. Well written enough, this account leaves the reader discontent that Chaplin chose to dwell on such mundane subjects as he reported from these momentous places and times.

- I doubt any adult male with an IQ would buy into these cheesy games. Here was actual advice from the book:- Go in the basement and turn off the circuit breaker. Act afraid. When he turns it back on, celebrate him like a hero. (Page 143)- Make him feel powerful by having him address the hostess: "Johnson, party of four." (Page 87)- Fake an orgasm by panting like a dog and keep going even if he gets up and does something else. (Page 70)- Emulate those clever Japanese women who are degraded in public but collect their husband's entire paycheck in private. (Page 86)- Pretend you're too stupid to microwave popcorn. He'll take you out to dinner. (Page 7)This book was good for a few laughs, hence the two stars. If you're looking for actual relationship advice, any of the Dummies or Idiot's guides would represent an improvement. The people who write them are qualified to do so.
