REVIEW OF UITZENDING GEMIST THE LEGACY THE LEGACY OP NEDERLAND 2

- While somewhat outdated, The Life and Times of Jesus the Messiah remains a magnificent reference to the historical and cultural setting to the days of Jesus of Nazareth. Although written some 70 years prior to the discovery of the Dead Sea Scrolls, Edersheim's great work still offers highly valuable information and insight on the Gospels and related events. One of the more striking features of the book is the appendix list of 400+ Old Testament passages which were tagged by the ancient rabbis as being messianically applied. An absolute must for anyone who wish to study the Jewish expectations of the Messiah surrounding the days when the Nazarene Carpenter walked the Earth. Place this vintage masterpiece in your library, and you will find yourself going back to it time and time again.

- A very original and intriguing story of an alien invasion during the height of World War II. These aliens arrive with an overwhelming invasion force and undeniable technological advantages; however, the resourcefulness, deviousness, and unpredictability of humans actually evens out the situation. I can't wait to read the rest of the series!
