## **REVIEW OF BREWING CLASSIC STYLES 80 WINNING RECIPES ANYONE CAN BREW**

- This is one of those books you want to own because you find yourself re-reading it from time to time. Beautifully written, vivid, historical romance.
- I read this for the first time when I was about twelve - I must've read it at least three more times since then and I still love it best of all Anya Seton's books. It tells the story of the forbidden love between a monk and a young woman - a sequence of events still having repercussions for their reincarnated souls four hundred years later. It's a brilliant read.
