## REVIEW OF NEW ENGLISH FILE INTERMEDIATE WORKBOOK KEY

- One of the best Chase books I have read. I have read more than 100 of his titles, but unfortunately I cannot find many of his books in USA. I own a few of his books and welcome enquiries from others who also own his books.

- Alison Quantrill has returned home to Suffolk after a failed relationship in London. She has a lucky break and gets a job as secretary to Jasmine Woods, a well-known romantic novelist who lives in the area. But the job doesn't last for long because Jasmine is murdered a couple of months later. After Alison finds the body she finds the police questioning traumatic and disappears one night. Douglas Quantrill and his wife, Molly find her disappearance brings them closer together. Chief Inspector Quantrill has to concentrate on his murder investigation and leave other people to search for his daughter though his personal feelings mean he is torn two ways. I enjoyed this complex murder mystery and liked the way the series characters are developing - Quantrill himself, his wife Molly and his Sergeant Martin Tait. The relationship between Tait and Quantrill is gradually turning into friendship and they are starting to respect each other and work well together. This interesting series, set in Suffolk, makes a refreshing change from many modern crime novels which contain, in my opinion, too much graphic violence and bad language. There is plenty of psychological depth to the characters and their personal problems are interesting as are their motivations. Life in a small community is well drawn and Quantrill is likeable and all too human. I recommend this series to anyone who likes their crime novels cast in the conventional mould.
