Start checking out the world of PDF Sandro El Idolo today and unlock the

capacity for a richer, extra satisfying learning experience.

REVIEW OF SANDRO EL IDOLO

- It's amazing that this book was written in 1946 but is so relevant today. Everything Hazlitt discusses about government spending, regulation, market interference, subsidies, deficit spending, and rampant encouragement of consumer debt relates directly to what is happening today. The book is written in a very readable, straight forward manner that anybody can understand, even a Democrat politician whose only reason for living is plundering and looting from the productive members of society and transferring the swag to the looters and the moochers (i.e. - their

voters).I can't think of a better treatise on the war between the "tax payers" and the "tax eaters" than this book. Hazlitt refers often to "The Forgotten Man", a book by William Graham Sumner published in 1883 which went into much detail on how government policy will always favor the politically connected at the expense of the powerless. Politician A passes a law to benefit constituent B at the expense of constituent C (The Forgotten Man). Amity Shlaes recent history of FDR's "The New Deal" used the same title "The Forgotten Man" and was one of the best books of 2008.I highly recomment this book. It's concise, interesting, and the most readable economic books ever written.

- This could be the worst novel I have ever read. It is also the first and last Patricia Cornwell novel I will ever read. There are so many problems with this book that they cannot be listed here, so here are but three points: 1) The main character, Kay Scarpetta, is an insufferable, humorless snob. I'd never before read a novel where I hated the main character. Great job, Pat! 2) About 90% of the novel is dialogue. Very bad dialogue. But this is understandable since Cornwell cannot write prose. 3) The story is predictable and boring, and the ending is utterly ridiculous. I'm astonished that this book was ever published, let alone made the bestseller lists.
