### **REVIEW OF THRONE OF JADE THE TEMERAIRE SERIES BOOK**

- I can't praise this book enough! The writing is so far above what we usually get in this genre! It reads like fine poetry. You have to enjoy a little twist on reality -- the world Ms. Holly has created is very similar to what we know of 19th century England, but also different in intriguing ways. But the developing relationship between Adrian and Roxie is much more important than the unique setting. The supporting characters are all unique and interesting and well-drawn, and help make this a totally enjoyable read. The love story is one of the best I've ever read. The intimate scenes are incredible! I have to read it again, I can't get enough! :)
- A great read highlighting key verses including from 1 Thess and 2 Thess. I think all R A Torrey's book are great. This is definitely a 5 out of 5.
