Keep in mind, checking out evaluations can aid you make notified decisions about what to review next and can reveal you to brand-new writers and categories you could not have actually taken into consideration in the past.

REVIEW OF SIMON DICE MIRACULOUS LE STORIE DI LADYBUG E CHAT NOIR EDIZ A COLORI

- This is a wonderful book that has all you need for a typical kid's party. I like the paterns that are included. Take them to a copier, add

color paper and you are done! I highly recommend this book to anyone who will be having a kid's party soon!

- The book so so very predictable. As soon as Bobby takes his wife and baby to the arm pit of the world you knew that there was serious trouble. The flimsy excuse of using his wife as an interpreter was weak at best. Why would his intelligent wife let a stranger into her hotel room becuase she sais that she is a relative of the poet that Bobby is looking for much less let this woman handle her baby. If Booby, and I do mean Booby, had done his research on Das then he would have known that Das had no female relatives and, realistically, that is what would have

happened. I think Simmons likes to put children in the way of great danger just to shock his readers. While Booby wanders around this dangerous trash heap of a city leaving his wife and child to the tender mercies of a demented town, I was just waiting to see what happens to the kid because that is what the story was driving to. Yea, sure the song of Kali was about the ultimate spread of violence committed on all humankind, but the climax was so predictable and finally not satisfying, just plain sad. Simmons, I don't recommend him. The action of the main people in the story just don't make sense and the children seem to suffer the most loss.
