So, what are you awaiting? Begin your analysis journey today with digital J R Ward Books publication downloads. With so many titles and categories to choose from, the possibilities are unlimited. Delighted reading!

REVIEW OF J R WARD BOOKS

- I couldn't wait for Jean Auel's fifth book

in the series and pre-ordered it. I have to admit, her fifth book in the series isn't as strong as the other four, but my interest in Ayla's and Jondalar's welfare never wanes! I cried when they are suffering. I feel joy at their triumphs. They are old friends at this point and I want to see them make it--as a couple and as leaders in their community. I only hope my success is a fraction of hers (Jean's) in the years to come as my first book, "Forever Retro Blues" has only come out this year. I hope Jean doesn't make us wait as long for the next adventure as she did promise this would be a six book series.

- When I think of what the fifth book COULD have been like, yes this book was dissapointing. I feel let down, because I thought there was a fantastical element to Ayla's Saga. Throughout the series I felt, Auel was hinting at greater things to come for our heroine. But then again, I don't think we can expect "The Clan Of The Cave Bear" in this, or in any of the other books really. I think Auel is pulled between the "scientific and realism" (the repeating of landscape, herbal remedies etc.) and the "melodramtic and fantasy" of this series. I was hoping for more of the "fantastic and dramatised" element in this book but it wasn't to be. And when I think, perhaps Auel is really trying to depict, a closer telling of what life would have been like in the IceAge, I guess this book, is not so bad.
