Animal Stories University of Oklahoma Press

Animal Stories - by Rudyard Kipling features some of the best-loved animal tales of all time. 'The Camel's Hump', 'The Cat That Walked By Himself' and 'The White Seal' are just some of the enchanting tales collected together in Animal Stories, which includes that most remarkable and endearing creation 'Rikki-tikki-tavi'. Originally intended for children, these imaginative and inspired writings are just as suitable for adults and will delight readers of all ages. These wonderful classic tales are accompanied by the fantastic illustrations of by Stuart Tresilian. Joseph Rudyard Kipling (1865 - 1936) was a seminal English writer of short stories, novelist, and poet. After the success of *The Jungle Book*, he became an immensely popular writer and poet for children and adults. His subsequent publications included *Stalky and Co.* (1899), *Kim* (1901), *Just so Stories* (1902), *Puck of Pook's Hill* (1906), and *The Brushwood Boy* (1907). Despite having turned down many honours in his lifetime, including a knighthood and the poet laureateship, in 1907, he accepted the Nobel Prize for Literature - the first English author to be so honoured. He is most famous for his poems concerning British soldiers in India and his wonderful children's stories. Pook Press celebrates the great 'Golden Age of Illustration' in children's classics and fairy tales - a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

How Stories Make Us Human Toon Studio Vintage Children's

A collection of innovative and ambitious short stories from a visionary young literary artist In *The Dominant Animal*—Kathryn Scanlan's adventurous, unsettling debut collection—compression is key. Sentences have been relentlessly trimmed, tuned, and teased for maximum impact, and a ferocious attention to rhythm and sound results in a palpable pulse of excitability and distress. The nature of love is questioned at a golf course, a flower shop, an all-you-can-eat buffet. The clay head of a man is bought and displayed as a trophy. Interior life manifests on the physical plane, where characters—human and animal—eat and breathe, provoke and injure one another. With exquisite control, Scanlan moves from expansive moods and fine afternoons to unease and violence—and also from deliberate and generative ambiguity to shocking, revelatory exactitude. Disturbances accrue as the collection progresses. How often the conclusions open—rather than tie—up. How they twist alertly. No mercy, a character says—and these stories are merciless and strange and absolutely masterful.

Animal Stories Bouncing Ball Books Inc.

The Papago Indians of the American Southwest say butterflies were created to gladden the hearts of children and chase away thoughts of aging and death. How the Butterflies Came to Be is one of twenty-four Native American tales included in *Native American Animal Stories*. The stories, coming from Mohawk, Hopi, Yaqui, Haida and other cultures, demonstrate the power of animals in Native American traditions. Parents, teachers and children will delight in lovingly told stories about "our relations, the animals." The stories come to life through magical illustrations by Mohawk artists John Kahionhes Fadden and David Fadden. "The stories in this book present some of the basic perspectives that Native North American parents, aunts and uncles use to teach the young. They are phrased in terms that modern youngsters can understand and appreciate ... They enable us to understand that while birds and animals appear to be similar in thought processes to humans, that is simply the way we represent them in our stories. But other creatures do have thought processes, emotions, personal relationships... We must carefully accord these other creatures the respect that they deserve and the right to live

Human Minds and Animal Stories Raintree

Hopi Animal Stories Candlewick Press

Legendary western author Max Evans has spent his entire life working with cows and horses. These rangeland animals, and other creatures both domestic and wild, play pivotal roles in his stories. This magnificent collection, beautifully illustrated by cowboy artist Keith Walters, showcases twenty-six animal tales penned by Evans during his long and celebrated career. Both fiction and nonfiction, the stories in this collection get us inside the heads and hearts of numerous four-legged critters—dogs, horses, burros, goats, cattle, deer, coyotes, and more. "The Old One," for example, shows us the world through the eyes of a prairie dog as she watches her latest litter of pups rolling and tumbling around the mound and thinks of all the things she will need to teach them. And in "The One-Eyed Sky," an aging cow with a new calf and an old coyote with a litter to feed circle each other warily, trying to protect their young, until a rancher intervenes. Not one to shy away from difficult subjects, Evans also delves into the "animal nature" of human beings, as in "The Heart of the Matter," where two Vietnam vets and friends kill a deer and then turn their rifles on each other. These captivating tales display Evans's trademark mix of raucous humor and vivid, poetic descriptions of the high plains of West Texas and his beloved Hi-Lo Country in northeastern New Mexico. He reminds his readers of simpler times and more honorable people even as he evokes the merciless environment in which his characters, both animal and human, struggle to survive.

Animal stories and natural history Animal Stories

Have you ever wondered why hyena is considered the most foolish animal in the kingdom? Or why hawks eat baby chicks? Or why the fox has no friends? This collection of animal fables will answer those questions and be an entertaining read! "Finally, hyena came to the conclusion that he couldn't decide which way to go. The smell of delicious foods and meats kept wafting in from both directions, and this confused hyena even more. Eventually, he decided to go both ways—but how? You might wonder. Hyena put one front paw on the left-hand side of the road and one front paw on the right-hand side of the road."

The Dominant Animal Review and Herald Pub Assoc

Strange, but true, stories featuring animals from around the world.

Skins (animal stories, rights) Harlequin

This collection of children's animal stories is a classic of juvenile literature and still delights children today, just as in the past. Not only do we find fiery dragons here, but dangerous dogs and demons; bears, bats, boars, and baboons; greyhounds and griffins; cows and crocodiles; hyenas and hippopotamuses; snakes, saints, and sheep; monkeys, mermaids, and mammoths; lions and llamas; and dozens of others from the wide and wonderful animal world. What a menagerie to excite the senses and lure the adventurous! The Author, Lang, a noted historian, was also an incurable romantic—hence his great success in writing children's books. These stories, first published in 1899, were selected and edited by Lang. The ones about Tom the Bear are from the French work on natural history by Alexander Dumas. Most of the tales in the chapter "Thieving Dogs and Horses" were published by Sir Walter Scott. Sixty-eight excellent and evocative illustrations enhance the stories and the reader's enjoyment of them.

For readers that favor an extra customized touch, curated collections are a wonderful alternative. These collections are often created by industry specialists or fanatics and supply a checklist of must-read recaps for different categories. You can discover them on blog sites, podcasts, and even social media groups.

With these pointers, you can find the right Animal Stories publication recaps for your rate of interests and preferences. Happy reading!

REVIEW OF ANIMAL STORIES

- This is an eye opening book. Sure it seems like common sense after you read it, but wow. I am blown away by the strategies and explanations in this book. This is not a theory book that leaves you asking, "So what do I do now?" Finally there is a book that defines the problems and gives easy to understand strategies for you to use when working with struggling readers. This book should be required reading for all teachers. You almost want to cry in empathy when you read her notes to George.

- "All the King's Men" is the story of Willie Talos, a backwater boy who teaches himself lawyering at night and ends up in politics as the Governor. Then as Willie finds out that politics isn't about doing the right thing, he quickly learns how to maneuver in the real world of politics. Before long, this formerly God-fearing, trusting man is drinking, carrying on with women, blackmailing, and surrounding himself with all the trappings of a king. Ambition overtook his good intentions. The rise and fall of Willie is told through the eyes of Jack Burden, the non-committal reporter who Willie hires as one of his "men". Jack's responsibilities are usually working as a researcher looking for dirt on political opponents or simply listening quietly. Eventually Jack's boyhood world and the world of politics collide, and almost against his will he must give up his role as observer and become a man of action and take responsibility for his life. Robert Penn Warren wrote a stupendous novel (1946) that is considered the definitive book about politics. But "All the King's Men" is so much more than a political novel. The insights into human nature, the beautiful language that brings the South alive to where you can taste the saltwater and feel the warm ocean breeze against your cheek, the lively descriptions of the characters, and the ability to create dialogue that moves and makes you laugh is the writing of a true genius. "All the King's Men" is a delightful page-turner about men and women trying to find their way in life. And is full of surprises that catch you off guard until the end.
