If you want to read a book with hope love and excitement this is the book for you .This wounderful story is one of my favorite books that I have ever read. I hope you will enjoy it too.

- Personally I have been going back and purchasing books from my youth. "The Giver" used to be one of my favorite books and after reading it again as an adult I can say that there was good reason. With social commentary coming out of the woodwork in this Lois Lowry "Newbery" winner, and an easy straight forward writing style this book has an ever important message and gets it across to the reader flawlessly. Watch out for the ending though as it will leave you wanting more.All in all this book is wonderful, whether your ten or one-hundred. If you have the chance (and can find one of those awesome Amazon "penny books" deals) and want an easy read with a message;Read This Book!
