## REVIEW OF HOW INSTALL APACHE 2 4 PHP 5 4 AND LIFE OF A GEEK ADMIN

- Its hard to review The Wheel of Time as seperate books,this one is a bit slower paced than some of the others but still a great read. I wouldnt suggest reading as a stand alone book but over all great if you love well written fantasy

- Robert Jordan, I read your work in awe as much as enjoyment. I have taken as long as I can to read Crown of Swords. Sometimes only 2 or 3 pages at a time. I began it on on the coast of British Colombia in July. Now, late in March of 1997, I have finished it this evening during a blizzard at my home in the Colorado Rockies. I came here to find the next book in the series, hoping I would be able to delve into the concluding eighth book. Thank you so much for your gift and sharing the worlds you visit with all of us. I am waiting impatiently for the next book.Jon Shore
