REVIEW OF ANN CHRISTOPHER PDF DOWNLOAD

- My husband and I received this cook book as a wedding gift almost 8 years ago and I was somewhat offended that someone would give me a "Diet" cook book. For several years, it sat on a shelf and was never opened. One day, I started looking through it and

was excited by the pictures and how easy the recipes seemed. I tried some of them and was amazed at how easy the recipes were and how delicious they were. We now eat meals out of this on a daily basis--even our kids like them!! We are not dieting, but are excited to know that we can eat this good and still have it be low-fat and healthy. The recipes are easy enough that anyone can make them and

they use normal ingredients--not items that you have never heard of. I would highly recommend this to everyone...and I quite often do!!

- Ruarke is rightfully called the master of outdoor writing. This is a fabulously written story of his first safari in Kenya and Tanganyika (now Tanzania). It is a must read for anyone who enjoys outdoor literature, hunting stories, or Africa.
