REVIEW OF THE LANGUAGE OF THE NIGHT ESSAYS ON FANTASY AND SCIENCE

- I think its a great book for anyone, new and experienced programmers. It covers many ideas that help with general routines. Personally, its just a reference

if I ever need to go back from c++.

- Mauro is a thinking man who dwells into the text with a passion for accuracy. He shows that the prophecy of Daniel 9 is concerned fully with Christ and has nothing to do with an anti-christ. If read with an open mind you will find that, even though he does not agree with most modern thinkers, Mauro accurately divides the truth of God's word. He clearly shows how the six promises (vs.

24) come to pass by the atonement of Christ. The cross is the main focus in this passage. He clearly shows that it is Christ's death that stops the Jewish sacrificial system (vs 27) and fulfills the prophecy. The book also shows clearly how the time period of the seventy weeks is fulfilled to the day. This is a must read book for anyone interested in Bible prophecy as well as proper hermeneutics.
