## REVIEW OF FRANZ KAFKA THE CASTLE

- This was recommended by a lactation cons. at a class I attended. It is a great reference book. I refer to it often. I am buying a copy for my cousin now.
- I don't really have much to say about this book except that it was one of the best books I've read that combined steamy (and I really do mean STEAMY), hot sex with a pretty generous plot. Might I add, it actually had a plot? I was very pleased in all genres the book contained: romance, fantasy, erotica, and maybe a little action/adventure.
