REVIEW OF 1977 VW BEETLE REPAIR MANUAL

- "Stupid children. Never even got to fire their rifles."War and survival.Can Erik overcome this threat?In Soldier X by Don Wulffson, a young soldier, named Erik, goes into the fray of World War II. Erik journeys through nightmares from Vilsburg to Lathenow, Germany. Erik, a 16 year old quick-witted conscript, awaits his destiny in this excillerating novel. Unexpectedly, Erik goes into war to find himself at the front, then trapped under a tank behind Russian lines. Faced with the decision to change identities maybe forever or be slaughtered like his comrades. While recovering from various injuries, he encounters a gorgeous, young maiden named Tamara. On their journey to survival, they encounter many challenges.This book keeps the reader at the edge of their seat... until the end, which we thought could have been written better. In this book, Don Wulffson tried to showcase the effects of war and sadness of war and how horrible war can be. We recommend this book to readers 10 and up.

- A reasonable anthology, with a one page intro on what the editor considers to be fantasy, and he certainly includes the horror.The book overall is a 3.40 average, and the start is considerably superior to the end.Carr 01 : Jeffty Is Five - Harlan EllisonCarr 01 : The Bagful of Dreams - Jack VanceCarr 01 : The Cat from Hell - Stephen KingCarr 01 : Black as the Pit from Pole to Pole - Steven Utley and Howard WaldropCarr 01 : The Kugelmass Episode - Woody AllenCarr 01 : Manatee Gal Ain't You Coming Out Tonight - Avram DavidsonCarr 01 : Getting Back to Before It Began - Raylyn MooreCarr 01 : Descent of Man - T. Coraghessan BoyleCarr 01 : Probability Storm - Julian ReidCarr 01 : Growing Boys - Robert AickmanParents eventual terminal lack of patience
