REVIEW OF GREEN ROOFS AND LIVING WALLS FOR LANDSCAPE ARCHITECTS VOLUME 1

- Will purchase from seller again.thank you!!!

- I thought this book was almost as good as the first Rowan story (on the mountain). I liked this story because it had things that happened when I least expected it. It had riddles, which i really like. It gave me a good reason to stay up late! It took me about a week to read. My brother and I both think Rowan is a great series.
