## **REVIEW OF ISLAND I SHIPWRECK**

- The books are amazing reads!! My husband and I read them to each other on long road trips. It has become a "thing" for us to have a Sherlock Holmes story handy when we travel. The package shipped VERY quickly and was in GREAT condition!

- I'm not quite sure why this book got such terrible reviews...okay, so it's not extremely detailed, but what did you expect? It's for beginners, not advanced divers. I just got it as a refresher, plus it has some good information on dive sites. I recommend!
