For the past two years, Kevin Monroe has lived his dream, performing alongside his partner, Robbie McMaster, as noted Las Vegas drag queen Layona Beach. Raphael Delgado's love for Kevin made it easy to set aside his dream of becoming a teacher, to care for Mr. Monroe and his own disabled mama. Now Mr. Monroe is dying, and Kevin is coming home. Raphael's inadvertent refusal to publicly hold Kevin's hand is the catalyst for a chain of events that answers these questions. Will Kevin go to gay inmate prison? Will Robbie end Layona Beach and Robbie Rhythm? How does Raphael become accidentally engaged? Within its themes of family obligations, unrequited love and acceptance, Kevin, Robbie and Raphael discover that heart and home are synonymous.

*Basketball to Success* Yale University Press

"I believe in John Edmund Haggai and am thrilled with the tremendous results I've seen in the lives of leaders." --Chuck Colson Bestselling author, founder of Prison Fellowship "The Influential Leader" is a powerful book on leadership from a visionary who has trained more than 60,000 people in 177 countries through the Haggai Institute. While other books on leadership focus on "methods," which unfortunately must keep changing as time goes on, this book focuses on "characteristics" that are at the core of successful leadership and will endure no matter how times change. Haggai's call to strong leadership looks at 12 characteristics for aspiring leaders, including... humility communication vision goalsetting self-control opportunity staying power authority Readers will learn how they can become leaders who influence people, inspire results, and accomplish great things for God.

McClellan Takes Command, September 1861-February 1862 cordell

Governments around the world are turning over more of their services to private or charitable organizations, as politicians and pundits celebrate participation in civic activities. But can nonprofits provide more and higher-quality services than governments or for-profit businesses? Will nonprofits really increase social connectedness and civic engagement? This book, a sequel to Walter W. Powell's widely acclaimed *The Nonprofit Sector: A Research Handbook*, brings together an original collection of writings that explores the nature of the "public good" and how private nonprofit organizations relate to it. The contributors to this book—eminent sociologists, political scientists, management scholars, historians, and economists—examine the nonprofit sector through a variety of theoretical and methodological lenses. They consider the tensions between the provision of public goods and the interests of members and donors in nonprofit organizations. They contrast religious and secular nonprofits, as well as private and nonprofit provision of child care, mental health services, and health care. And they explore the growing role of nonprofits in the United States, France, Germany, and Eastern Europe, the contribution of nonprofits to economic development, and the forms and strategies of private action.

Public Health Reports 24 Keys That Bring Complete Success

The death of a child at any age, shatters the parent's heart and causes a complicated grief which never goes away. Dr. Sue Hamby found the murdered body of her only child, Russ, on March 21, 2013, and started on a difficult and painful grief journey. She realized she would never get over the death of her child but had to learn to absorb the loss into her life until it became a part of who she was. Because of her faith in God, her mourning was eventually transformed into joy and her scars became stars. In her book, she touches the depths of your heart and soul by sharing her traumatic grief journey and how her painful scars of grief, bitterness, and brokenness were turned into stars for God's glory. Her story offers hope and healing to those who are struggling with grief and learning how to navigate the grief journey, using God as their GPS. "I have read Dr. Sue Hamby's *Turning Your Scars into Stars* in one sitting. I couldn't put it down once I started reading the book. This semi-autobiographical narration by Dr. Hamby is a must read for all people, especially people who think that they are alone, depressed, hopeless and helpless." Girija S. Chintapalli, MD Retired Psychiatrist "Her story of how the LORD changed her life through that God-breathed message is a must read for anyone who has lost a loved one." Dan Kirkley, President Hope for the Hungry "Turning Your Scars into Stars is spiritually inspiring and full of truth. It is very well written in such a manner that will not only appeal to multiple victims of tragedies but a wide generational audience. " Michael K. Sweeney, Director of Investigations and Law Enforcement Development INTERNATIONAL JUSTICE MISSION (IJM)

### **Forgiveness...the Ultimate Miracle** Totally Entwined Group (USA+CAD)

Businesses can do well by doing good -- Kotler, Hessekiel, and Lee show you how! Marketing guru Philip Kotler, cause marketing authority David Hessekiel, and social marketing expert Nancy Lee have teamed up to create a guide rich with actionable advice on integrating marketing and corporate social initiatives into your broader business goals. Businesspeople who mix cause and commerce are often portrayed as either opportunistic corporate "causewashers" cynically exploiting nonprofits, or visionary social entrepreneurs for whom conducting trade is just a necessary evil in their quest to create a better world. Marketing and corporate social initiatives requires a delicate balancing act between generating financial and social dividends. Good Works is a book for business builders, not a Corporate Social Responsibility treatise. It is for capitalists with the hearts and smarts to generate positive social impacts and bottom-line business results. Good Works is rich with actionable advice on integrating marketing and corporate social initiatives into your broader business goals. Makes the case that purpose-driven marketing has moved from a nice-to-do to a must-do for businesses Explains how to balance social and business goals Author Philip Kotler is one of the world's leading authorities on marketing; David Hessekiel is founder and President of Cause Marketing Forum, the world's leading information source on how to do well by doing good; Nancy Lee is a corporate social marketing expert, and has coauthored books on social marketing with Philip Kotler With Good Works, you'll find that you can generate significant resources for your cause while achieving financial success.

### **Private Action and the Public Good** Bridge Logos Foundation

Frankie Crooks, a down-to-earth Italian kid from Greenwich Village, is torn between two worlds . . . the mob and law enforcement. Both hold intrigue because he has a brother in each trying to convince him to follow in their footsteps. Frankie sees the humor in life at the most inappropriate moments as he vacillates between a life of crime and being a law-abiding citizen. With a first person tongue-in-cheek approach, Frankie's life unfolds as we follow him through his escapades that leave him running for his life, both from the law and the hands of his strict Italian mother. A mix between *Catcher in the Rye* and *Analyze This*, this book leaves readers wanting the "bad" guy to win, while at the same time revealing what makes criminals tick. Loosely based on a true story, Frankie Crooks lets you know what it's like to be Almost a Wise Guy.

### **A Successful Veteran of the Chicago Mercantile Exchange Shows Executives How to Thrive in a Competitive Environment** AuthorHouse

This collection offers readers loving insights and wisdom--all centering on the prime of life.

Contributors to this volume include Erma Bombeck, Ruth Stafford Peale, Tom Landry, Florence Littauer, Roy Rogers and Max Lucado.

### *Success Strategies for Women in Science* Harvest House Publishers

This is a thought-provoking book on the black-white academic achievement gap in Chicago's predominantly black communities of color and what highly effective school boards can do to change it. In this book, the reader will be powerfully enlightened by a civil and human rights debate that calls for effective leadership in our schools, beginning with effective school boards. The primary agenda of effective school boards is raising student achievement performance levels and engaging the school district community to attain that goal. These instructive analyses of effective school board leadership builds on the research and wisdom of great leaders. Simultaneously, it develops a breath of fresh air for school reformers who seek to implement a new model and escape the insanity and pathology inherent in school board dysfunctions and violations of our civil and human rights which prevents progress in Chicago's south suburban communities of color. In both highs and lows of awesome moments, as educational reform leaders and school board members, we are in a strategic leadership position to help school boards carry out their essential responsibilities for creating equity and excellence in public education. In doing so, highly effective school leaders can team with our school board leaders to lead our school district communities in preparing all students to succeed in a rapidly changing global society. School board members doing the same things over and over again and then expecting different results in academic outcomes is the definition for insanity. Education is freedom. In an era of mass educational apartheid with its consequent mass incarceration of blacks that has surpassed the enforced chattel bondage of slavery's peak numbers in 1860, this book addresses a subject that is critically essential, timely, and in need of immediate attention for the security, success, and ultimate survival of black America. As the problems of the academic under-achievement gap is addressed in this book, it is also essential that school boards, educators, and community and national leaders accept reality, to view the problem in its true perspective, to contemplate it as it is, in providing essential solutions toward removing limiting and limited school boards' dysfunctions, obstructions, and other barriers to academic achievement in effective school board leadership. Supporting educational excellence will thereby produce more African American scholars in mathematics, science, and in many other disciplines. This book will provide information and focus on some key action areas that successful school boards in America and around the world have focused their attention on: Vision, Standards, Assessment, Resource Alignment, Climate, Collaboration, and Continuous Academic Improvement.

### **Army of the Potomac, Volume II** Simon and Schuster

"We have a collective responsibility—to bring about a more stable and more prosperous world" (Christine Lagarde, Managing Director of the International Monetary Fund). It wouldn't make headline news if a scientist declared that in today's world, we are all connected and dependent on each other. But it would become a main feature if a scientist said there is a proven way we can not only benefit from our connectedness, but actually enjoy it. Completing the Circle: an empirically proven method for finding peace and harmony in life, presents precisely that. Over a period of four years, the Connection-Circle and Round-Table discussion formats have proven themselves as

successful methods for resolving seemingly unsolvable conflicts, reassembling shattered relationships, and bringing together alienated families. These discussions have been taking place in the US, Europe, and Israel, all with resounding success. Now, for the first time, Dr. Laitman has written down the knowledge base of his successful method, and added easy-to-implement sample circles. As we try out these innovative circles, we will discover new depths in our connections with each other, and fresh ideas for managing our lives more peacefully and harmoniously both for ourselves and our loved ones.

**Marketing and Corporate Initiatives that Build a Better World...and the Bottom Line** Xlibris Corporation

So, what are you awaiting? Beginning your reading adventure today with electronic Paul J Meyer Ph D book downloads. With so many titles and styles to pick from, the opportunities are countless. Delighted analysis!

#### **REVIEW OF PAUL J MEYER PH D**

- A bit slower than what I expected. I was more interested in the quick flashback sequences between Jack Ryan and Leon Woody. It was entertaining, but slowed to the pace of a geriatric bingo game, at times. The plot's not too engaging, but Leonard's knack for writing from a character's point of view keeps you amused. I'd recommend "Maximum Bob" as my favorite Leonard book, so far. A sidenote, but Detroit Tiger fans may get a kick out of the last few chapters.

- When I first started reading EAST OF EDEN I was surprised by the fact that it did not rush into the saga of Caleb and Aron Trask. I was also somewhat shocked by the vulgarity. But as I read on I saw that John Steinbeck wasn't being vulgar, he was giving a provocative look at what human nature really is, down to the ugly roots of imperfection. This book starts out with the story of good-hearted Adam and his wild brotehr Charles. Their father is harsh and they both come off with emotional issues. When Cathy Ames shows up at their house, beaten and in need of care, Adam rushes to her rescue. She is sweet and angelic and he falls in love, and they are married. Little does he know evil lies beneath her pretty face. She has a past of murder and is completely heartless. She is unfaithful to him on the very night of their wedding, and in just gets worse from there. After the birth of their twins she shoots Adam, leaving him desolate and in a state of shock. Eventually he comes out of it with the aid of his wise freinds Lee and Samuel. Adam recovers somewhat from his shock and starts raising his boys. This is where Aron and Caleb come in. Aron is beautiful and loved by all. Caleb is covered in a cloud of darkness and he is loved by very few. All he wants is acceptance from his father, and all Adam wants is him to be like his brother. With a splendid cast of unique characters, this book is amazing. It goes very deep and while it does ramble at times, the story is one of both good and evil, loved and unloved, love and hate.
