REVIEW OF ZIMSEC ENGLISH LANGUAGE REGISTERS SLIBFORYOU

- I am a high school freshmen and we read this for freshman english. I told my mom that we were going to read this and she didn't seem very happy. I asked her why and she said that it was a good book but didn't think that we should be reading it in a christian school. Why you might ask, is because they like to over do their community just a little bit! Almost to much! Anyway, my suggestions are to read it but remember who you are!!!!

- First, in order to enjoy Lois Lowry's "The Giver," you must understand, even if vaguely, the world in which the novel takes place; it is still Earth, but its society is utterly strange--despite the fact that this world is pain-free, no poverty, no illness. This is one of the novel's best qualities: it allows us to see how odd a world with no hardship is, compared to our society. In "The Giver," Lowry follows Jonas, yet another citizen in this utopian society; here, your entire life, your entire future is planned for you...imagine the strictest yet most peaceful communist, totalitarian government (an oxymoron), combined with Orwell's "1984." Speakers and monitors surround everyone's living center, so "they" can observe whenever the citizens mandatorily discuss their dreams. There is no such thing as birthparents; when you're born (or rather given birth by "birthmothers," which is an official profession) you are assigned to a family. There are not even any cars, everyone rides bicycles. Jonas' birthday is coming up. Every citizen has the same birthday, and everyone is given a designated gift on each birthday; for instance, when everyone is seven, they get a bike; and when they turn twelve, they are given their job...for life. Jonas is estranged from his friends when he is given the job of Receiver of Memories. He is tutored by the town's current Receiver, a weak old man only known to us as the Giver. In this experience, Jonas is given a gift that no one else in this society has--the gift of knowing freedom, true freedom. The gift to heal and cope with pain (something Jonas was alienated to), the gift of knowing family, the gift of seeing the world...as it should be. With this newfound knowledge, Jonas' desire to leave and to find a place where humanism exists, to save someone from this society, continues to haunt him. "The Giver" is another one of Lois Lowry's crowning achievements, winner of the 1994 Newberry Medal. This book is not to be looked over and placed into the shelf with no further attention; "The Giver" is brilliant, and is not only to be read, but to be deciphered.
