REVIEW OF MARXISM AND LITERARY CRITICISM TERRY EAGLETON

- This is a book for those long winter nights, when you just need to curl up by the fire (or the lamp) and escape into the realm of stories. The collection is similar to the Arabian Nights in it's story within a story structure and it will not disappoint. Definitely a must have for all Sandman buffs as well as for lovers of good storytelling. This and the entire Sandman series is comic book literature at it's best.

- Seems to be a great way to learn Greek. There are a few typos in the program, and accents are not explained very well. I had to go to other resources to understand this area.
