REA's NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA's Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the

medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!

## REVIEW OF HESI 2 3RD EDITION

- "The Chosen" is a great novel. I loved all the suspense. I liked all the themes and how they related to one another. It was a comedic, upsetting novel, and it was brilliantly written. One of the most important things I learned was about the Jewish religion and culture. I only knew a little about the Jewish way of life, but after reading this book, I expanded my knowledge. I felt this book is for anyone, regardless of religion, race or beliefs. However, Jewish people and people who study the Jewish religion might have a better time understanding or relating to the book than me. It talks about two boys and their fathers, what they learn from

their fathers, and what they learn from each other. Their friendship started during the most unusual circumstances, strengthened, had to be put on hold, but continued again. This is one of the best novels I've read. I felt enlightened after reading this book. At first, I didn't find this book intriguing or anything. But you can never judge a book by its cover, literally!

- This book is for anyone who has reached that point in their life where they question whether there is any logic to the seemingly random series of memories they have acquired thus far. The magic of this book is missed by the editorial reviews. If you read *Catcher in the Rye* and then grew up, it's time to read this.
