significances and excellence, the Hajj¹.is the best means to strengthen religious communication and coordination among the Muslims of the whole world hailing from different countries with their separate nationality, race, language and colour and to collect them on a single platform thereby making them rally round the banner of "Kalimah Tauheed" (the Code of Oneness of Allah) which is the pivot of Islaam.²The simple unstitched white clothing which Prophet Adam wore, is proposed for Haajis so that the Muslims who all belief in One Allah, one Messenger, one Book, and one

Kaaba look alike sans any social ranking and status thereby to demonstrate outward religious harmony and cohesion too.³It envisages projection of the glory and truthfulness of Islaam besides earning believers the benefits and gains of the air, land and sea travels.⁴It also embraces the aims and objectives which kings and rulers achieve by holding grand courts, an association or organization achieve by holding annual meetings and chamber of commerce achieve by holding international fairs.⁵Hajj also satisfies the inquisition of anthropologists, archaeologists, geologists, historians, and geographers.⁶Most of Hajj's sites are either prominent symbols of Allah or have attachments with the Messengers and Prophets which refresh the memory

of the sacred traditions and remind of the events of Divine blessings and mercy attached with these signs. In short, the Divine Law which the Holy Prophet brought with him is so comprehensive and practical that it covers all temporal and spiritual affairs. It's each and every word abounds with wisdom and reasons which is evident from the fact that the worldly and spiritual benefits and objectives of Islamic commands and worships are before the whole world and will continue coming to the fore until the Doomsday.

Companion of Hajj Createspace Independent Pub

The authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah. It's a guided tour through a number of very meaningful emotional and religious

experiences. But its also so much more... It is a journey of self-discovery as well as the discovery of Islam. Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. The text itself is well written and simple, getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-snow brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque.

Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, "the struggle" as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors recommendation to work hard on understanding the du'as recited as a pilgrim, instead of "simply carrying pamphlets and reciting them in blind fashion without understanding their meaning." Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should

come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam."

REVIEW OF HAJJ AND UMRAH GUIDE BOOK IN URDU

- I had to read this book this year for my

English class. At first I was interested, when Pip was a child, but I quickly became sick and tired of it's boring nature. I am in the honors program in my school, and we only had about 2 and a half weeks to read it, but it seemed like 2 and a half years. I was disappointed most because this massive plot builds up, and I was waiting for something to happen, but nothing really did. Furthermore, it was a bit hard to understand, especially since my mind was drifting, because it is hard to pay attention to this book.

- ...what can I add more? If you want to pass Exchange Exam that's the book to invest in. Worth every cent (pfening, kopeck, etc.) It's big but only because of Exchange is a real BIG thing. (compare it with 1400 page Microsoft course!) As

usual this is definitely NOT the book about implementing Exchange in real life, also any information not relating to exam topics is omitted, but anyway you will find a lot of usual things there. Personal result: 4 year experience with

messaging systems (DEC ALL-IN-1 & Linkworks, plain UNIX SMTP mail, some X.400), no previous experience with Exchange. I had used this book only and just passed the test with the score of 870.
