REVIEW OF AUDI Q7 ORDER GUIDE

- This book is one of the best I have ever read
- Best friends Will Holloway and Jim Nightshade were born 2 minutes apart, Will one minute before midnight on Oct 30 and Jim one minute after midnight on Oct 31, and their different personalities reflect that well. And each is tested in different ways when Cooger & Dark's Pandemonium Shadow Show comes to Green Town, IL shortly before their 14th birthday. Characters from the carnival compliment the overall creepy atmosphere, from the Dust Witch to the Illustrated Man, Mr. Dark himself. Bradbury's unique writing style perfectly sets the tone for this spooky tale of boyhood and wishes. While reading it, I was reminded of other characters from newer books, especially Mr. Leland Gaunt, the proprietor of Needful Things, from Stephen King's book. And while some passages near the end of the book are a bit long-winded, it didn't detract much from a great spooky story, and one with a lot of insight into what it's like to be 13.
