Join our neighborhood today and begin your journey into the globe of literature with simple downloads of all your favorite publications like **Gerak Ayunan Lengan!**

REVIEW OF GERAK AYUNAN LENGAN

- This book was a school book written in 1896 to be read to 3rd and 4th graders. The stories are concise,(about three pages long) explaining the stories of the old testament, in chronological order.

Very easy to read for devotions and easily understandable to children, while giving them all the important elements of the stories.

- We had the first edition of this Medical Guide and used it for years as our family grew up. In many ways this 4th edition is

similar, just updated for newer medical information and procedures. If you need something to reach for, this is a good first step which can be followed up by searching the Internet for more complete information. We particularly appreciate the diagnostic flow chart to help determine the problem.
