The International Ship and Offshore Structures Congress (ISSC) is a forum for the exchange of information by experts undertaking and applying marine structural research. The aim of the ISSC is to facilitate the evaluation and dissemination of results from recent investigations; to make recommendations for standard design procedures and criteria; to discuss research in progress and planned; to identify areas requiring future research, and to encourage international collaboration in furthering these aims. Structures of interest to the ISSC include ships and other marine structures used for transportation, exploration, and exploitation of resources in and under the oceans. The proceedings of the 13th ISSC (Trondheim, Norway, August 1997) are organised in three volumes: - Vol. 1. State-of-art reports from eight Technical Design Committees: Environment, Loads, Quasi-Static Response, Dynamic Response, Ultimate Strength, Fatigue and Fracture, Design Principles and Criteria, Design Methods. - Vol. 2. State-of-art reports from eight Specialist Panels: Quality Assurance for Marine Structures, Structural Design against Fire and Blast, Structural Design of High Speed Vessels, Structural Design against Collision and Grounding, Structural Design against Ice Loads, Structural Design of Floating Production Systems, Structural Design of Pipeline Systems, Fabrication Technology. - Vol. 3. Discussion of each report by invited discussors and from the floor, response from the committees.

And if you ever before require help locating the best publication, our experienced staff is below to supply customized referrals.

REVIEW OF DRILLING LINES BRIDON

- Description of item was accurate. My item was shipped quickly. I recommend purchasing from this vendor and plan on doing again myself.
- What a great book, you gotta read this one. If you don't you'll have to read something else by Heinlein, anything at all in fact. I was sickened by one of the reviews here calling Heinlein's adult books "pornographic." Double Star, The Door into Summer, Starship Troopers, The Moon is a Harsh Mistress, perfect examples of his adult books which are distinctively not pornographic. I am yet to read one which is. Oh yeah, almost forgot, Stranger in a Strange Land is considered to be one of the most important novels of this century and to be a literary landmark. I found it hard to believe that someone with enough incompetence to call Robert A. Heinlein a pornographic author, could have the good sense to call this a good book. Well, nobody can be all bad I guess.
