## **REVIEW OF AUTOMATA THEORY MIDTERM EXAM SOLUTION 08 30 10 00 AM**

- This book was great. It was a real page turner. I couldn't put it down. She is a great author. I didn't want this book to end and it truly made me cry. Loved it.

- The badness of this book, forces me to express myself in a higher medium. My emotions can only find proper expression in poetry:I feel sorry for the paper that was wasted.I feel sorry for the ink.I fill sorry for the money that I threw down the sink.
