#### REVIEW OF TRIAL BALANCE SOLUTION FROM SUBHASH CHAND

- This is the best novel I have ever read. If that isn't enough to get you to start searching for this book, I don't know what is. I loved how Zelazny makes you feel the character. You experience the same experiences that Sam does. It is a shame this novel is out of print. This is a classic of not only science fiction, but of fiction. This novel inspired me to learn the Hindu religion, so I could understand the book better. It has been five years, since I last read this great novel. Final words of advice: Never lend this book out! People have a tendency to "misplace" this book once they borrow it. Just track down this book and read it multiple times like everyone else who has read it. You will not be disappointed.

- I found Elizabeth Barthelet's view of parenting to be thoughtful, intelligent and compassionate. As the birth mother of one, this book made me want to consider adoption as a compassionate way to expand my family -- even without fertility problems as the motivation.
