media sites groups.

With these tips, you can discover the best Icebound publication recaps for your passions and preferences. Pleased analysis!

## **REVIEW OF ICEBOUND**

- I RECEIVED THE CALIFORNIA HERITAGE COOK BOOK AS A SHOWER GIFT IN 1974. I HAVE USED IT CONSISTANTLY FOR OVER 25 YEARS AND HAVE NEVER FOUND A BAD RECIPE. MY DAUGHTER IS LIVING IN AN APARTMENT WHILE ATTENDING COLLEGE AND ASKED IF SHE COULD HAVE HER FAVORITE COOKBOOK TO TAKE TO SCHOOL ... CALIFORNIA HERITAGE! I HIGHLY RECOMMEND THIS COOKBOOK TO ABSOLUTELY ANYONE WHO ENJOYS EATING OR COOKING. I AM NOW SEARCHING FOR TWO ADDITIONAL

COPIES.

- Prof. Craig looks at China through a teacher's eye. Students occupy most of his attention in this brief account of his five months of teaching at China Youth University for Political Sciences in Beijing China. Taking a study leave from his position as Associate Director of Admissions and Adjunct Professor of Philosophy at Governors State University, Illinois, involved an enormous amount of time and energy in student contact. Fortunately, Prof. Craig has lots of energy fueled by lots of Chinese food. Rarely without the company of

students, Craig managed to see some of the usual tourist sites (The Great Wall, The Summer Palace, and hiking at Phoenix Peak near Beijing) but often opted for such things as neighborhood walks, theater, restaurants, the Beijing Auto Show and the "English corner," a spot at People's University where every Friday night hundreds of people gather to speak and listen to English. He warmly commends the intelligence and sensitivity of the Chinese people. For me this was a fast, informative visit to a small fraction of China and a better appreciation of an important part of the world's great diversity.
