REVIEW OF FRANK WOOD FINANCIAL ACCOUNTING 1 ANSWER

- Does not seem to have personal extraction information. Not the perfect reference for owners or prior purchasers. Text is basic categories for owners or hunting animals. The author does not explain creature maintenance or dietary supplements. This manual is incomparable to other, more insightful guides. This also applies to The Essential Golden Retriever, which has no technical hints and mediocre purchasing information. Some breed books are unequalled, but this particular publishing is sub par.
- BET ME by Jennifer Crusie Jennifer Crusie's latest book, BET ME,

is my introduction to this author's writing, known for books written for the genre known as Chick Lit. In this story, a young woman is discouraged by the dating scene, after being dumped by a boyfriend for not having sex with him throughout their entire relationship. She then meets the most gorgeous man ever, Cal Morrissey, soon after that breakup. Their relationship grows through a series of bets, which puts Cal deeper and deeper into trouble with Minerva Dobbs, the young woman in question. Cal and Min meet in the worst possible way - through a bet. But as they get to know each other as friends, the two fall in love, but refuse to admit it to each other. As their friends watch with amusement the charade that Cal and Min go through, pretending they are only friends and that they cannot stand each other, Cal and Min slowly realize that they can't live without each other. But as their ex's try their best to keep the two apart, Cal and Min's best friends try to decide whether the two belong to each other. The book is told in the typical style that "chick lit" is famous for, with a humorous tone and a lot of comic relief. While I found this book to have gone on a little too long, I still enjoyed it and do recommend it to others who delight in reading books in this genre. It's a fast read and although not the perfect book, I think readers will enjoy getting to know Minerva Dobbs and maybe even relating to her, as Min tries to find that perfect fairy tale romance and happy ending that all of us hope to find in our own lives.
