In 1971 Mao's campaign against the intellectuals is at its height. Our narrator and his best friend, Luo, distinctly unintellectual but guilty of being the sons of doctors, have been sent to a remote

mountain village to be 'reeducated'. The kind of education that takes place among the peasants of Phoenix Mountain involves carting buckets of excrement up and down precipitous, foggy paths, but the two seventeen-year-olds have a violin and their sense of humour to keep them going. Further distraction is provided by the attractive daughter of the local tailor, possessor of a particularly fine pair of feet. Their true re-education starts, however, when they discover a comrade's hidden stash of classics of great nineteenth-century Western literature - Balzac, Dickens, Dumas, Tolstoy and others, in Chinese translation. They need all their ingenuity to get their hands on the forbidden books, but when they do their lives are turned upside down. And not only their lives: after listening to their dangerously seductive retellings of Balzac, the Little Seamstress will never be the same again. Without betraying the truth of what happened, Dai Sijie transforms the bleak events of China's Cultural Revolution into an enchanting and unexpected story about the resilience of the human spirit and the magical power of great storytelling.

Their meager distractions include a violin--as well as, before long, the beautiful daughter of the local tailor. But it is when the two

While ingeniously concealing their forbidden treasure, the boys find transit to worlds they had thought lost forever. And after listening to their dangerously seductive retellings of Balzac, even the Little Seamstress will be forever transformed.

Ghost Tide William Morrow Paperbacks

A satirical novel set in 1967 China from the Franz Kafka Prize-winning author of *Lenin's Kiss*—"one of China's greatest living authors" (The Guardian). *Serve the People!* is the story of a forbidden love affair between Liu Lian, the young wife of a Division Commander in Communist China, and a servant in her household, Wu Dawang. Left to idle at home while her husband furthers the revolution, Liu Lian establishes a rule for her orderly: whenever the household's wooden *Serve the People!* sign is removed from its usual place on the dinner table and placed elsewhere, Wu Dawang is to stop what he is doing and attend to her needs upstairs. What follows is a "steamy and subversive" story and comic satire on Mao's slogan and the political and sexual taboos of his regime (The Guardian). Originally banned in China, *Serve the People!* is the first work from Yan Lianke to be translated into English, and "a scathing sendup of life in 1960s China during the chaos of the country's Cultural Revolution" (LA Times).

Highly recommended." -- Choice A classic of modern world literature, this collection of stories provides a vivid and poignant eyewitness view of everyday life in China during the Cultural Revolution. For this edition, Howard Goldblatt has thoroughly revised the text and updated it to Pinyin romanization. Twenty-five years after its first publication, *The Execution of Mayor Yin* has lost none of its power to move the reader, and remains unmatched as a document of the period.

Among New York City's Gilded Age elite, one family will defy convention. Helen Wilcox has one desire: to successfully launch her daughters into society. From the upper crust herself, Helen's unconventional--if happy--marriage has made the girls' social position precarious. Then her husband gambles the family fortunes on an elevated railroad that he claims will transform the face of the city and the way the people of New York live, but will it ruin the Wilcoxes first? As daughters Jemima and Alice navigate the rise and fall of their family--each is forced to re-examine who she is, and even who she is meant to love. From the author of To Marry an English Lord, an inspiration for Downton Abbey, comes a charming and cutthroat tale of a world in which an invitation or an avoided glance can be the difference between fortune and ruin.

REVIEW OF BALZAC AND THE LITTLE CHINESE SEAMSTRESS

- I can't rave about this book enough, It was required reading for

a literature of the outdoors class I took in college a decade ago and I've probably read it 20+ times since then. My copy is tattered, highlighted and written all over. Growing up in rural Utah I feel Abbey's pain towards the paving and developing of these beautiful areas. I crave the solitude that he writes about, understand the attachment towards random small creatures and can't help but laugh and nod my head in agreement at his rants.

Anyone who spends time in pristine wilderness, redrock desert or not, will appreciate this read.

- This is a well-organized reference that I use every day. I have purchased one of these annually for a lot of years. The ONLY bad thing is that they never have figured out a way to keep the colored pages with the maps from falling out after a little while. Even if you baby those pages, they are doomed.
